

## RESUMING SASK POLYTECH CAMPUS ACCESS NOVEMBER 16 TO 22

### MOOSE JAW CAMPUS

Automotive Service Technician certificate:

- Group A, Moose Jaw Main: November 18, 19 and 20
- Group B, Moose Jaw Main: November 18, 19 and 20
- International Group A, Moose Jaw Main, November 18, 19 and 20
- International Group B, Moose Jaw Main, November 18, 19, and 20

Carpentry certificate, Groups A and B, Moose Jaw Main, November 16, 17, 18, 19 and 20

Civil Engineering Technologies diploma:

- Year 1, Group C, Moose Jaw Main, November 19
- Year 1, Group D, Moose Jaw Main, November 18
- Year 3, Construction, Moose Jaw Main, November 20

Computer Engineering Technology diploma:

- Year 2, Group 1, Moose Jaw Main, November 17
- Year 2, Group 2, Moose Jaw Main, November 18
- Year 1, Group 1, Moose Jaw Main, November 19
- Year 1, Group 2, Moose Jaw Main, November 20

Electrical Engineering Tech diploma, Moose Jaw Main, November 20

Environmental Engineering Tech diploma:

- Year 1, Moose Jaw Main, November 17
- Year 3, Moose Jaw Main, November 16

Geomatics & Surveying Eng Tech diploma, Moose Jaw Main & Outside, November 16

Instrumentation Eng Tech diploma:

- Year 1, Moose Jaw Main, November 16, 17, and 18
- Year 2, Moose Jaw Main, November 19 and 20

Professional Cooking certificate:

- Year 1, Group A, Moose Jaw Main, November 17 and 18
- Year 2, Group B, Moose Jaw Main, November 19 and 20

Welder certificate:

- Group 1, Moose Jaw Main, November 16 and 18
- Group 2, Moose Jaw Main, November 17, 19 and 20

Welding Apprenticeship Level 2, Moose Jaw Main, November 16, 17, 18, 19 and 20

## PRINCE ALBERT CAMPUS

Carpentry certificate, Groups A and B, Prince Albert Main, November 16, 17, 18, 19 and 20

Esthetician – Skin Care Technician, Prince Albert Main, November 16, 17, 18, 19 and 20

Esthetician- Skin Care Technician (Continuing Education), Prince Albert Main, November 16, 17, 18, 19 and 20

Geographic Information Science certificate, Prince Albert Academic Centre, Room 254, November 16

Hairstylist:

- August 31 to June 30 cohort, Prince Albert Main, November 16, 17, 18, 19 and 20
- November 2 to January 30 cohort, Prince Albert Main, November 16, 17, 18, 19 and 20
- November 2 to April 29 cohort, Prince Albert Main, November 16, 17, 18, 19, and 20

Industrial Mechanics certificate, Prince Albert Technical Centre (Main – E127), November 16, 17, 18, 19 and 20

Integrated Resource Management diploma:

- Year 1, Prince Albert Academic Centre, Room 254, November 19
- Year 2, Prince Albert Technical Centre (Main), NRT Lab, November 16 and 20

Professional Cooking, Year 1, Group A, Prince Albert Main, November 18, 19 and 20

Resource & Environmental Law diploma:

- Year 1, Prince Albert Academic Centre Room 254, November 18
- Year 1, Group A, Prince Albert Technical Centre (Main), Gym, November 18
- Year 1, Group B, Prince Albert Technical Centre (Main, Gym, November 20
- Year 2, Prince Albert Technical Centre (Main), NRT Lab, November 20
- Year 2, Prince Albert Technical Centre (Main), NRT Compound, November 18

Retail Meat Specialist, Year 1, Group A, Prince Albert Main, November 16 and 17

Welder certificate, Prince Albert Main, November 16, 18 and 20

## REGINA CAMPUS

Auto Body Technician certificate:

- International Group A, Regina Main, November 16, 17, 18, 19, and 20
- International Group B, Regina Main, November 16, 17, 18, 19, and 20

Auto Body Collision Technician Apprenticeship Level 3, Regina Main, November 16, 17, 18, 19 and 20

Continuing Care Assistant:

- Group 1, Regina Main, November 16
- Lab-Hospital unit, Regina Main, November 17
- Group 2, Regina Main, November 19
- Group 3, Regina, Main, November 20

CNUR 205/305 Remediation, Regina Parkway, November 21<sup>st</sup> 1:30 to 3:40

Critical Care Nursing Regular Track, Regina Main, November 16

Dental Hygiene, Regina Main, November 16, 17, 18, 19, and 20

Electrician applied certificate:

- Group A, Regina Main, November 16, 17, 18, and 19
- Group B, Regina Main, November 18, 19 and 20

Fabricator/Welder certificate, Group 1, Regina Main, November 16

GM Training (Continuing Education), Regina Main, November 17, 18, 19 and 20

LAE Quad 2 Textbook Pickup, Room 245, 248, Lobby, Regina Main, November 16<sup>th</sup> (9-4; 4-6)

IEN Assessment Centre, Regina Main, November 20

Innovative Manufacturing diploma:

- Year 1, Regina Main, November 17
- Year 2, Regina Main, November 16, 17, 18 and 20

Machinist certificate, Regina Main, November 17 and 19

NURS-1689 Customized Skills Assessment/LPN, Regina Main, November 16

Power Engineering Technician certificate, Regina Main, November 16 and 17

Practical Nursing diploma, Year 2, High Fidelity Simulation Lab, Regina Main, November 17

Psychiatric Nursing diploma, Year 1, Simulation Lab, Groups A-E, Regina Parkway, November 16

Psychiatric Nursing diploma:

- Year 1, Groups A-E, Simulation Lab, Regina Parkway, November 16
- Year 1, Groups A-B, Room 232, Regina Parkway, November 18
- Year 1, Groups A-C, High Fidelity Lab, Regina Main, November 19
- Year 1, Groups D-E, High Fidelity Lab, Regina Main, November 20

SCBScN, Year 2, CNUR 202, Regina Parkway, November 19, 20 and 21

SPCR-105 Personal Care 2 (Continuing Education), Regina Main, November 21

SPCR-100CE TLR (Continuing Education), Regina Parkway, November 21

Welder certificate:

- Group 1, Regina Main, November 16 and 18
- Group 2, Regina Main, November 17, 19 and 20

Welder applied certificate, Group 2, Regina Main, November 17, 19 and 20

WTER-1800-4 (Cross Connection Control), Regina Main, November 20, 21 and 22

## SASKATOON CAMPUS

Advanced Care Paramedic, Year 2, Ontario Avenue, Saskatoon, November 16, 17, 18, 19, 20, 21 and 22

Agricultural Equipment Technician certificate:

- Groups A and B, Saskatoon Main, November 17, 18, 19 and 20
- Group C, Saskatoon Main, November 19 and 20

Auto Body Collision Technician Apprenticeship Level 3, Saskatoon Main, November 16, 17, 18, 19 and 20

Auto Body Technician certificate:

- Saskatoon Main Campus, November 18 and 19
- International Group A, Saskatoon Main, November 16 and 17
- International Group B, Saskatoon Main, November 18 and 19

Automotive Service Technician certificate:

- Groups A and B, Saskatoon Main, November 16, 17 and 18
- Group C, Saskatoon Main, November 16, 17, 18, 19 and 20

Bioscience Technology diploma:

- Year 1, Saskatoon Main, November 16 and 18
- Year 2, Saskatoon Main, November 17, 19 and 20

Chemical Technology diploma:

- Year 1, Saskatoon Main, November 16, 17, and 18
- Year 2, Saskatoon Main, November 17, 18, 19 and 20

Commercial Pilot diploma (flight simulator), 46<sup>th</sup> Street West, Saskatoon, November 16, 17, 18, 19, and 20

Continuing Care Assistant, Year 1, Saskatoon Main, November 19

Cook Apprentice, Level 1, Group A, Saskatoon Main, November 21 and 22

Culinary Arts diploma:

- Year 2, Group A, Saskatoon Main, November 16, 18, 19
- Year 2, Group B, Saskatoon Main, November 16, 19, and 20
- Year 2, Group C, Saskatoon Main, November 16, 17, and 20
- Year 2, Group D, Saskatoon Main, November 17, 18 and 20

Design & Manufacturing Eng Tech diploma:

- Year 1, Saskatoon Main, November 17
- Year 2, Saskatoon Main, November 20

Electrician applied certificate:

- Group A, Ontario Avenue, Saskatoon, November 19 and 20
- Group B, Ontario Avenue, Saskatoon, November 16 and 20

Electronics Systems Eng Tech diploma:

- Year 1, Saskatoon Main, November 18
- Year 2, Saskatoon Main, November 19

Fabricator/Welder certificate, Saskatoon Main, November 18, 19 and 20

FIAT Training (Continuing Education), Saskatoon Main, November 17, 18, 19 and 20

Food Nutrition Management:

- Year 1, Group A, Saskatoon Main, November 19
- Year 1, Group B, Saskatoon Main, November 20

John Deere Ag Equipment Technician:

- Apprenticeship Level 1, Saskatoon Main, November 16, 17, 18, 19, and 20
- Apprenticeship Level 3, Saskatoon Main, November 16, 17, 18, 19, and 20

Heavy Duty Equipment Technician:

- Apprenticeship Level 3, English Crescent, Saskatoon, November 16, 17, 18, 19, and 20
- Apprenticeship Level 4, English Crescent, Saskatoon, November 16, 17, 18, 19, and 20

Heavy Equipment/Truck and Transport certificate:

- Groups A, B and C, English Crescent, Saskatoon, November 17 and 19
- Groups D and E, English Crescent, Saskatoon, November 16, 18, and 20

Industrial Mechanics:

- Certificate, Saskatoon Main, Machine Shop, November 16, 17, 18, 19, and 20
- Certificate, Saskatoon Main, Welding Lab, November 16, 18, 19 and 20
- Apprenticeship Levels 1 to 4, Saskatoon Main, November 16, 17, 18, 19 and 20

Manufacturing Research Chair, Saskatoon Main, November 16, 17, 18 19 and 20

Machinist certificate, Saskatoon Main, November 17, 18, 19 and 20

Mechanical Engineering Technology diploma:

- Year 1, Saskatoon Main, November 20
- Year 2, Saskatoon Main, November 20

Medical Laboratory Technology

- Year 1, Saskatoon Main, November 17 and 19
- Year 2, Saskatoon Main, November 17, 18, 19, and 20

Metal Fabrication, Apprenticeship, Level 2, Saskatoon Main, November 16, 17, 18 19 and 20

Mining Engineering Tech diploma, Mining Building, Saskatoon, November 17 and 20

Pharmacy Technician, Year 2, Saskatoon Main, November 16, 17, 18, 19, and 20

Power Engineering Tech diploma:

- Year 1, Saskatoon Main, November 16 and 17
- Year 2, Saskatoon Main, November 18 and 19
- Outreach evening labs, Saskatoon Main, November 16, 17, 18, 19 and 20

Refrigeration and A/C certificate, Saskatoon Main, November 16, 17, 18, 19, and 20

SCBScN:

- Nov17 and 19 (CNUR 305)

- November 19 and 20 (CNUR 202)

Sheet Metal Worker, Apprenticeship Level 2, Saskatoon Main, November 16, 17, 18, 19, and 20

SPCR-105 Personal Care 2 (Continuing Education), Saskatoon Main, November 22

SPCR-100CE TLR (Continuing Education), Saskatoon Main, November 21 and 22

Truck and Transport Mechanic:

- Apprenticeship Level 2, English Crescent, Saskatoon, November 16, 17, 18, 19, and 20
- Apprenticeship Level 3, English Crescent, Saskatoon, November 16, 17, 18, 19, and 20

Veterinary Technician diploma:

- Year 1, Saskatoon Main, November 16 and 17
- Year 2, Saskatoon Main, November 16, 17, 18, 19, 20

Welding:

- Apprenticeship Level 2, Saskatoon Main, November 16, 17, 18, 19 and 20
- Apprenticeship Level 3, Saskatoon Main, November 16, 17, 18, 19 and 20

Welder certificate:

- Group A, Saskatoon Main, November 16, 18 and 20
- Group B, Saskatoon Main, November 17 and 19
